

Hunza Organics

Purely Natural, Truly Healthy

About Us

Hunza Organic is a premium brand committed to delivering the finest organic dry fruits natural such as Wild Thymes, Mushrooms, Salajeet, cold-pressed natural oils sourced directly from the pristine valleys of Gilgit-Baltistan specially from Hunza. Our mission is to provide nutrient-rich, chemical-free products while promoting sustainable and eco-friendly farming practices.

Our Offerings

✓ **Organic Dry Fruits** – Naturally grown and free from chemicals, ensuring maximum freshness and nutrition. Offerings include Apricots, Almonds, Walnuts, Mulberries, and more.

✓ **Cold-Pressed Natural Oils** – Extracted using traditional methods to retain all essential nutrients and flavors, including Apricot Oil, Walnut Oil, and Almond Oil and Seabuckthorn oil.

Why Choose Hunza Organic?

✓ **100% Pure & Natural** – No additives, no preservatives—just nature's best.

✓ **Eco-Friendly & Sustainable** – Supporting responsible and organic farming practices.

✓ **Nutrient-Rich & Healthy** – Packed with essential vitamins, minerals, and antioxidants.

✓ **Authentic & Premium Quality** – Sourced from the untouched, fertile lands of Hunza.

✓ **Empowering Local Farmers** – We work closely with local farming communities, providing fair trade opportunities and fostering economic growth.

Our Vision

To be a pioneer in organic wellness by offering high-quality, natural products that nourish the body and support a sustainable living. We strive to build a sustainable future by promoting organic farming, empowering local women farmers to promote their organic products on a national and international level with a hygienic and standard packaging.
