Who We Are

Khairpur Foods is a family owned group of companies with over two generations of experience, our first two generations were largest dates grower of Pakistan we still own dates farms which were planted by the family in late 1930's since 1987 we started our export by utilizing our vast family experience within five years we became largest exporter of Pakistan & the first ever grower to do export in history of Pakistan dates industry

We always been a future-oriented company with a consciousness of tradition and demands topmost quality of its products and the services associated with them We are constantly working on their development and optimization It is this consistency that has shaped the company's self-image It enables us to guarantee clients the best possible quality at all times.

Factory Capabilities

We own 140,000 sq ft largest dates facility in Pakistan located in Khairpur city which is heart of dates palms in Pakistan which is the definition of technological advancement and automation, we have dedicated dates washing, sorting, and packaging lines and state of the art date paste production lines, our range of packaging varies from bulk 25 kgs to 250g thermoform packs given our rapidly-increasing production capacity and advanced technology, we can cater to our individual client's needs and requirements one of the key strengths at Khairpur Dates Factory is our capacity to store more than 5000 metric tones in our cold stores which enable us to retain freshness of our dates through out the season.

Our Premium Conventional & Organic Dates

Our dates are carefully selected in order to ensure quality products and guarantee freshness the following dates are usual grades and varieties we carry in range with each season from Pakistan

Begum Jangi (B.J) Dates

▶ Begum Jangi (BJ) variety of dates is unique in taste. This delicious kind of dates is grown in Turbat Baluchistan are soft and short dates Medium thin skin and rather easily broken, soft, syrupy tasting date. Therefore, special dishes, bakery products, ice creams and desserts uses Pakistani Begum Jangi Dates for enrichment, taste and nutritional values.

Turbat Mix Dates

- ▶ First and foremost, Turbat Mix Dates are selected mix of dates of nearly a similar texture and size.
- ▶ Additionally, these are mainly used as raw material for Date Paste and Dates Block.
- ▶ Therefore, this assorted and selected mix of Fresh Pakistan Dates, known as Turbat Mix Dates are used on large scale for industrial products and confectioneries.
