

Founded in 2019 | Karachi, Pakistan

## About High Spice

High Spice Pakistani spice manufacturing company offering a premium range of whole spices, spice powders, and expertly crafted recipe blends. With a strong focus on purity, aroma, and authentic taste, the brand caters to both everyday home cooking and professional food needs across Pakistan. The company operates with one central warehouse, a corporate office, and two retail outlets, ensuring smooth production, efficient nationwide distribution, and convenient customer access. Online purchasing is also available, offering free delivery across Pakistan.

## Mission & Vision

Our mission is to deliver authentic and pure spices that bring out the true flavor of every meal, promoting healthy, chemical-free cooking for all households. Our vision is to become the leading Pakistani spice brand with a global footprint, recognized for authenticity, innovation, and customer trust.

## Infrastructure & Distribution

High Spice maintains modern manufacturing facilities equipped with hygienic grinding, blending, and packaging units. We ensure every batch of spices goes through quality testing to maintain freshness, aroma, and flavor consistency. Our distribution network includes a central warehouse, dedicated logistics support, and partnerships with retailers and online platforms for nationwide coverage.

## Retail Presence

- 2 retail outlets strategically located in Karachi.
- Corporate office and production unit in Azizabad Industrial Area.
- Nationwide online availability through [www.highspicepk.com](http://www.highspicepk.com).
- Partner stores and supermarket presence expanding across Pakistan.

## Private Label & Partnership Brands

High Spice maintains modern manufacturing facilities equipped with hygienic grinding, blending, and packaging units. We ensure every batch of spices goes through quality testing to maintain freshness, aroma, and flavor consistency. Our distribution network includes a central warehouse, dedicated logistics support, and partnerships with retailers and online platforms for nationwide coverage.

## Export Development

High Spice has successfully developed export-standard products, with samples approved for international markets, including the USA, Africa, and Saudi Arabia.

The company is expanding its footprint through quality-driven exports, aiming to represent Pakistan's authentic spice heritage on the global stage.
